On Our Wine List

Our award-winning wine list showcases an outstanding selection of wines at a great value. The Triple Door is committed to serving the very best the wine world has to offer and the opportunity for you to experience these fine wines from our cellar or by the glass. Our team of sommeliers is happy to help you with your wine selection.

In Our Cellar

The Triple Door is one of only a handful of restaurants in the Northwest cellaring wine. The ideal conditions in our cellar ensure that each bottle is at its peak when we serve it to you. We began cellaring fine wines in 1989 and now have over thirty thousand bottles in our inventory. Our cellar list is available upon request.

State of the Art Glass Pour

Developed in Chianti, the Enomatic Wine System is the state of the art in preservation technology. Opened wines are temperature controlled and sealed to prevent oxidation. With the Enomatic System our glass pour menu has expanded to include ultra premium selections.

Invented on a cocktail napkin at Wild Ginger, the Perlage system has quickly become the industry standard for preserving sparkling wines. The system re-pressurizes Champagne bottles with carbon dioxide so they stay fresh and don't lose their bubbles.
